Student ID: [redacted] Name: [redacted]

*Dorm Preference Priority: Room Mates

After selecting the Preference Priority, you can specify the roommates (flatmates for graduate students) that you want to share your room/flat with. You do not have to make a roommate/flatmate choice, however, specifying at least one room type preference is a must. Upon clicking the 'Finish' button you will be done with the dormitory application. You will also receive a confirmation mail from us with your preferences for future reference.
