

DORMITORY APPLICATIONS FOR SUMMER TERM 2023

Brief Information

- Accommodation in our dormitories is only provided for academic reasons. Academic reasons for the Summer term are summer school, internship and assistantship.
- Dormitory applications for the summer term should be made through KUSIS between **Monday, May 15th, 2023 – Friday, May 26th, 2023**.
- You should fill out 'KUSIS > Student Center > To Do List > 2023 Summer School Dormitory Application Form' and make sure that it's saved until the application deadline. After accepting dormitory application covenant, you should proceed to room and roommate preference page.
- Our students who will accommodate for more than one academic reason, should make their dormitory applications for the first program that they will attend to.
- Cost of internship and assistantship accommodations is calculated and charged daily based on the beginning and ending dates of the related program. Thus, in case the beginning and ending dates of internship/assistantship programs of the students that will stay in the dormitories is updated after dormitory application deadline, they should [click this link](#) to make a request through H-trackit.
- Application results will be announced on **Monday, June 12th, 2023** through KUSIS.
- Earliest check in dates for students who are assigned a dormitory room are as follows:
ELC Summer School: Saturday, June 17th, 2023
7 Week Summer School: Saturday, July 1st, 2023

Dormitory Application For Our Students Due To Internship;

- Our students who want summer accommodation in the dormitories for a fee due to internship should fill out the internship application form available on the website of their faculty, no later than 1 week prior to their internship beginning date. After filling out the relevant form, Human Resources department will carry out the SGK (Social Security Institution) registration procedures and you'll be provided with the related document.
- Our students who have dormitory scholarship will be able to stay in the dormitories for free accordance with the [Internship Procedure](#) published by Scholarships Office. Students who are outside the scope of this procedure can stay in our dormitories by paying the dormitory fees.

Dormitory Application For Our Students Due To Assistantship;

- Students who want to work as full time assistants alongside with our faculty members should submit the "Assistantship Information Form Approved By Faculty Dean" to Main Campus Housing Directorate Planning Office, in addition to their dormitory applications. Assistantship Information Form should be filled out by the relevant faculty member and be approved by the Faculty Dean.

Brief Information For Our Students Who Will Stay In The Dormitories;

- Summer term accommodation will take place at West Campus.
- You may be asked to move to other buildings during your stay, due to repair/maintenance operations that can be scheduled in the dormitories.
- Our students who stay in the dormitories during Spring Term 2023 and that are assigned a dormitory room for the summer school, should move to their new rooms assigned for Summer Term 2023.
- Students who are assigned a dormitory room should complete their room check in procedures within 2 business days at the latest, as from the beginning date of classes.
- Requests made after the dormitory application period, will be considered within the available capacity.

Covid-19 Notification For Our Students That Will Stay In The Dormitories;

- Students who have completed 3 doses of vaccine will be allowed to check in to the dormitories.
- Students who have completed 2 doses of vaccine and whose 3rd dose appointment is not due yet, will be able to receive their temporary room keycards which will be active until the date that they are required to complete their 3rd dose, provided that they sign a commitment letter.
- Students who have had COVID-19 should get vaccinated 6 months after the diagnosis date of the disease.
- Students who already had the disease at the date of dormitory check in but whose vaccination dates are not due yet, should fill out a commitment letter undertaking that they will get a vaccination appointment when the required date is due and that they will complete their vaccination, in order to check in to the dormitories.
- Students should upload their vaccination cards to the system, which are available through e-nabız and Hayat Eve Sığar applications, in order to check in to the dormitories.
